April 28, 2019

Renew Rebuild Restore is a 21-day personal devotional journey that began Monday, April 22 and culminates on Sunday, May 19. Begin today taking time and making time to meet personally with Jesus.

Contact the office if you need instructions on how to download the devotional on your smartphone. Hard copies are also available by contacting the office.

Church family,

What an incredible Holy Week and weekend! The presence of Christ among us was such an uplift to me. Saturday's Egg Drop gave me an opportunity to see so many of you working and praying together to create an event for our community. Hundreds made their way to the field behind the church and were welcomed by the Robertsville Baptist nation. They were able to experience the presence of Christ through your friendly hospitality and words of witness. This event is the vision of Jack Abbott and he brought his best organization and oversight to bring about a successful work. Thanks to Jack and everyone who devoted themselves to the event.

As Resurrection Sunday passes, we carry on with the strength and direction the risen Christ brings to us. Those who were baptized carry with them the awareness of the new thing Jesus is doing in them. Great joy fills our hearts in worship as we witness the waters stirred again. Jesus IS Lord!

Continue with each day's reading and prayer as we walk the Renew - Rebuild - Restore journey together. And let's see how the Lord impacts us and guides us into exciting days ahead. "In me, He is risen!"

See you Sunday,  
Brian

### **GARDENING CLUB**

Calling All Gardeners!

Do you have a green thumb? Is gardening a blessing and a ministry to you? We are starting the RBC Gardening Club to continue the work that Huey Sides has done for so long. We will meet once a month to discuss and work on the various garden beds around our campus. If you are interested, please contact the church office.

### **FUSION YOUTH MINISTRY**

The Easter Egg Helicopter Drop was a great success despite the threat of rain and the cold temperature. We had around 600 children attend this event! Thank you so much to all the volunteers that made this possible! I want to say a special thank you to our helicopter pilot Terry Mullins! One of the kids said to a volunteer "That was totally awesome!" I am so thankful we could bring the celebration to these children and their families.

We have several pews in storage that will be available on a first come first served basis through May 19th. There are six-8' pews and two 4' pews that are available for a donation to the church. One per family please. Just let me know if you would like to have one.

Love in Christ,  
Jack Abbott
