Can you believe that school begins *next* week – and that teachers are back *this* week? How quickly time has flown with all the summer fun! Our family has definitely soaked up the sun, enjoyed time with family, watched fireflies and fireworks, and indulged in staying up late and sleeping in. Here's what I know about the summer season: it points us to the complete future enjoyment of all the delight, goodness, and wonder that God intends for us in Christ Jesus.

Last month I wrote about keeping Sabbath rest. People often experience needing a vacation *after* their vacation but Sabbath, resting in the goodness of God, renews and restores us as nothing else does. It's true that vacations can provide **rest** and **relaxation**, but oftentimes, what we deeply need is God's **restoration**.

Fall often brings with it a busier season and then the inevitable ramp up to the holidays and maintaining our **restoration** in God in the face of our busy schedules can be a challenge. But just as school taught us the 3R's of reading, writing, and arithmetic, the Father can teach us the 3R's of restoration: **remember**, **rehearse**, and **rest**. **Remember** God's faithfulness in keeping the promises in His Word. **Rehearse** His wonderful actions in scripture (and in your own life) by practicing praise and thanksgiving. And **rest** in God's Sabbath by honoring Him in worship, and trusting His heart to care for yours.

FUSION YOUTH MINISTRY

We had a great hike to Lower Lynn Camp Falls on Saturday. This is a 35' multi tiered falls on the Middle Prong trail. We had lunch, played around on the rocks, and then got out just before the rain. I always enjoy these trips that take in the beauty of God's creation.

I want to thank the youth that served during VBS. The children love to hang out with you older kids especially when you are showing them that they are loved. Fusion starts again Wednesday, July 31. Invite a friend!!!!
