JUNE 26-JULY 1, 2017

ANDREWS, NORTH CAROLINA

Please lift up in prayer each
youth and leader attending.

Most of us are in our church building several times a week; we rarely look around at its condition and take its cleanliness for granted. Recently we had visitors who were complimentary of our church. One of the things they mentioned was the size, cleanliness, seating arrangement and overall appearance of our sanctuary. Others have talked about our kitchen. They liked the area available, location of the sinks and appliances and it being so light and clean. We had one person who requested to take photos. It is good to know how others look at our church and the praise we receive.

We should be proud of our church. Many members take time and effort each week to keep things clean and in order. Our Church Changers work each Tuesday to help maintain the physical aspects to assure our heating, air conditioning, lights, doors and many other things are working properly.

As members, we can do our part by eating and drinking in the Fellowship Hall or classrooms. We can remember our sanctuary is sacred ground, set apart for worship, praise, and serving the Lord. No food or drink should be allowed and excessive movement and noise should be restricted.
