**THE MOTHER'S DAY
OFFERING**

Tennessee Baptist Children's Homes believes every child should experience the stable, nurturing love of a family. TBCH believes the most crucial thing they can share with a child is the love and hope of Christ. They provide Christ-centered homes for children who find themselves in hard places when families are not currently able to provide the day to day care they need. You can help by giving to the TBCH Mother's Day offering.

VBS SIGNUPS

VBS signups begin this Sunday. Look for the table in the main foyer. This year's theme is **In the Wild**. Dates are July 7-11. Time is 5:30-8:30pm. Contact Carol Knicely with any questions.

PASTOR'S PARAGRAPH

Partnerships are vital aspects of our ministry to and with our community. Recently, several of our folks worked as volunteer advocates with ADFAC. This was a shared effort with United Way of Anderson County. Our volunteers met with and assisted their assigned clients for several months. This kind of ongoing relationship ensures the help someone receives is coupled with important followup conversations and resources. Another outgrowth of partnering with Oak Ridge Schools and United Way is a Blessing Box that will be installed in the corner of our front parking lot. It's designed to be available for folks to drive by and access needed items. One other partnership I want to tell you about is with a new Homeschool Co-op that's beginning in the next several months. Our church council heard about it and it will be presented in church conference in May. It will be a similar relationship as the one we have with Music Arts. I thank the Lord for the opportunities to share the love of Christ through sharing our resources and friendship.

All for God's glory,

Brian

Dear Church Family,

I am currently working on my Eagle Scout Project and could use your help. The plan is to renovate the café room in the youth area. It will include a new cabinet and counter top. The cabinet will have shelves to provide additional storage. The counter top will be laminate and will provide plenty of space to serve food for special events. I also plan to remove the old carpet and install new vinyl plank flooring. This will provide a surface that is easy to clean and won't leave stains if food or drinks are spilled in this area. Finally, I plan to paint the wall in the game room that was treated with drylock during the recent waterproofing project. This will return the room to a bright and colorful space.

I have planned a work day for Saturday, May 18 from 9am-Noon. If you can help, please sign up in the main foyer. If you would like to make a donation towards this project that would be a great help as well. I expect this project to cost \$1,700. Any donation should be turned into the church office.

I am looking forward to helping improve this room for the youth ministry and others that might use it.

Sincerely,
Evan Abbott
