HOPE FOR THE HARVEST

In the book *Experiencing God* by Henry Blackaby and Claude King, the following story is told:

"...We really come to know God as Provider when we experience Him providing something for our lives. When we started our first mission church, we had no money for the new pastor's moving expenses or salary. We began to pray that God would provide for his move and his needs.

"We had now stepped out in faith. I didn't know anybody who could help us financially. I began to ask myself, 'How in the world will God make this provision?' Then it dawned on me that as long as God knew where I was, He could cause anybody in the world to know where I was. As long as He knew my need, He could place that need on the heart of anybody He chose.

"I received a letter from First Baptist Church, Fayetteville, Arkansas saying they were sending a check to use however we chose. I did not know how in the world they got involved with us at that time, but a check came for \$1,100.

"The day came when our new mission pastor drove into our driveway. I asked, 'Jack, what did it cost to move you?' He said, 'Well, Henry as best I can tell it cost me \$1,100.'"

They stepped out in faith, were obedient to God, and God provided. When we are obedient to God in our giving, miraculous things can happen. These experiences and God's answered prayers bring us into a deeper love relationship with an all-sufficient God.

ASSISTED LISTENING DEVICES

I'm glad some of you already take advantage of our assisted listening devices (ALD) that help with hearing in our worship services. We have a few new ALDs available in the sound booth. We bought them so more of you can use them, hear more clearly, and participate fully in our worship together as a family. We have a great team in the sound booth that are available to serve you in the worship service and with ALDs. You can use your own headphones, as well; they use the most common size of headphone jack (1/8" or 3.5mm). Ask your friendly neighborhood media technician next Sunday!

SYMPATHY

Pastor Scott and the church family wish to express its Christian sympathy to Jackie Harris and family in the death of her father, Ralph Ford; to Elijah and Stacey Tafao and family in the death of her grandfather, Ralph Ford.

HOLY READING SESSIONS

We will experience a time of communion with the Lord called Holy Reading. The scriptures each week will be presented in a way designed to invite you into a conversation with Christ around the theme of "Mending Your Hurts." It is an open invitation to anyone who desires to experience the Lord more deeply and closely. The facilitator will be Dr. Rick Bennett, Coordinator for TNCBF.
