*Christ
is
Risen!*

Church family,

As we journey through Lent, many are being called into closer and deeper walks with the Lord through God's Word and close and intimate prayer. This is how the Spirit of Christ draws us to himself. Let us not resist him or his invitation to commune with him. Easter rests on the horizon and, with it, comes renewing, rebuilding, and restoring. We will celebrate baptism on that blessed morning and rejoice in the risen Christ and that Christ is risen in our hearts. If anyone desires to take this step of faith, please contact me prior to April 21 in order to make preparation.

Additionally, let me add my voice to the call for workers for the harvest as we welcome the community to our campus on April 20 for the Helicopter Egg Drop. Someone recently asked, "Are you literally going to drop eggs out of a helicopter?" and my answer was, "Yes, yes we are!" But in actuality the incredible thing that happens has nothing to do with helicopters or eggs. It has to do with each of us as the Body of Christ extending welcome and hospitality to our neighbors in the name of Christ. Come and be present for this "all hands on deck" event. It's not something "they're" doing; it's something "we're" all doing together! Blessings in Christ,
Brian

There is an urgent need for volunteers to help folks in Anderson County and Knox County to recover from damage to their homes resulting from the recent flooding. Water is receding and assessments teams are looking at homes that have been damaged. It has been estimated around a thousand homes are damaged. Teams are coming in from out of state to help, but there is a need for local volunteers to assist in various capacities. Volunteers are needed to help with feeding, moving furniture, removing carpet, cutting and removing drywall just to give you an idea of some of the scope of work.

Opportunities exist for volunteers to work weekly, couple of days through the week, a few hours, or weekends. Just need volunteers! Skilled folks are needed but volunteers with no experience are welcomed. Al Emery has volunteered to be the contact person to provide information and assist in coordinating placement. He can be reached at (865) 235-6525.

SYMPATHY

Pastor Scott and the church family wish to express its Christian sympathy to the family of Sylvia Clay in her death.

FUSION YOUTH MINISTRY

There is a new sign up for the Easter Egg Helicopter Drop in the main foyer. This sign up indicates times and duties that need to be filled. It is important that these roles are filled before we can consider providing the ministry tents. So, please sign up to serve in these needed roles! I also need pop-up canopy tents (like those used for tailgating). Please let me know if you can provide one. Feel free to invite family and friends to volunteer for this event. We will have a Planning/Prayer Service Sunday, April 7 at 6pm.

Love in Christ,
Jack Abbott
