Church family,

This past Sunday was truly a celebration in worship! From the songs of praise to the recognition and commission of our RBC Kids ministry team, I could feel the Lord's presence and pleasure. Let me say thanks to all who made the morning so special and to the ones who made sure the pizza lunch was hot and ready following the service.

There are still some opportunities for service in the kids ministry on Sunday mornings. Please check with Terry Roberts or any of the staff for more information. And if you should be asked to serve, resist the urge to say no and take some time to pray about it. You never know how the Lord will lead you and use you!

Also, on Sunday the Finance Committee announced a one-day special offering on September 30 in the morning service. The goal is \$20,180.09. We have had one-day offerings several times over the years, and you have always responded so generously. These offerings help to fund special projects that are over and above normal operating expenses. Your financial gifts have allowed the church to remain debt-free, too! I believe that's important. "Strengthening the Foundation" one-day offering is designed to fund needed improvements in the youth and kids ministry areas, as well as other capital needs. I ask you to prayerfully consider your gift to "Strengthening the Foundation." Remember, giving to the one-day offering is over and above your regular giving of tithes and offerings to the ministry budget of the church.

Blessings in Christ,
Brian
