MISSION OPPORTUNITIES FOR SEPTEMBER

In Our Own Backyard

Willow Brook School Resource Center is always in need of volunteers for their "Readers and Leaders" program. Once a week, be a part of improving a child's reading ability as you listen, one on one, to them read to you.

State

We will begin our Week of Prayer for Tennessee State Missions on September 10th. The theme is "At all costs, OBEY!"

National

Consider giving to the Tennessee Disaster Relief for Hurricane Harvey. Our state is on alert to send feeding units as part of a coordinated effort through the North American Mission Board. You can donate on-line at www.tndisasterrelief.org

International

On September 24th we will experience "Freedom Sunday." This service will highlight the International Justice Mission and their work to end modern day slavery.

This is the last in a series of articles taken from a brochure published by the Stewardship Commission.

If a person were to begin tithing with 1 % of their income and increase that by 1 % each year over 10 years, then they would have reached the level of the biblical tithe (10 % of earnings). Could it be that such a step-by-step increase is possible for most Christians? What a difference our small growth in giving could mean when added to the growth in giving of other Christians! Our growth in giving can make a real difference in the way and rate at which we reach the world for Christ. That's what Christ assigned us to do: "Go, therefore, and make disciples of all nations" (Matt. 28:19).

May we be challenged and committed to join together in our giving, to be generous with our resources, and may we see how Jesus Christ will multiply what we give to accomplish his purpose. Thank you in advance for your faith, generosity, and presence through the remainder of the year.

Blessings in Christ,
Brian

FINANCIAL POLICIES AND PROCEDURES

In 2016 the Finance Committee recognized a much needed update to the current "Policies and Procedures of the Finance Committee." After many months of gathering information, discussion, getting questions answered and prayer, this update was recently completed and presented to Church Council for review. A copy of this revision can be found in the church office and we encourage members to read through it and familiarize yourself with the policies and procedures of the church.

Any questions should be directed to a committee member. This revision will aid the Finance Committee (current and future) in decision making, accountability and to navigate more confidently through the financial business of the church.

Your Finance Committee,
Sandy Weatherford, Diane Moore, John Price, Jim Rule and Lauren Smith
